SUMMARY

Talented Engineer consistently rewarded for success in planning and operational improvements. Experience in multi-disciplinary projects and staff management procedures positively impacting overall productivity and financial results. Practical and analytical skill to adapt and perform looking for the best results for the project.

PROFESSIONAL EXPERIENCE

04/2019 - 10/2020

Analyst, Ability Tecnologia, Curitiba, PR

- Tracked all hours and expenses to keep project on task and within budgetary parameters.
- Coordinated presentations for customers and project members detailing project scope, progress and results, keeping all entities well-informed of milestones and goals.
- Kept projects on schedule by managing deadlines and adjusting workflows as needed.
- Improved operational efficiency and cultivated cost reduction and increased productivity.

02/2019 - 04/2019

Telecom Analyst, HTCOM, Curitiba, PR

- Managed quality assurance program, including on-site evaluations, internal audits and customer surveys.
- Drove operational improvements which resulted in savings and improved profit margins.
- Resolved conflicts and negotiated mutually beneficial agreements between parties.

02/2019 - 04/2019

Telecom Analyst, HTCOM, Curitiba, PR

- Managed quality assurance program, including on-site evaluations, internal audits and customer surveys.
- Drove operational improvements which resulted in savings and improved profit margins.
- Resolved conflicts and negotiated mutually beneficial agreements between parties.

04/2018 - 12/2018

Consultant Engineer, Stalker Engenharia, Curitiba, PR

- Published engineering documentation relating to development of solutions for OTN network.
- Translated complex technical information into intuitive clear format.
- Created information architecture to format content and method of distribution.

05/2017 - 11/2017

Project Leader, A&C Consulting, Curitiba, PR

- Observed progress of each project, examined risks and coordinated contingency plans.
- Managed team meetings and discussed project's goals and objectives.

-
- Defined responsibilities, duties, and roles of each team member.
 - Identified poor quality lines and underutilized circuits.
 - Performed telecommunication and networking business evaluations.
 - Ran and analyzed call processing flows and traffic studies to determine optimum configurations.
 - Performed network modeling and analysis.
 - Monitored overall network performance.

08/2015 - 04/2017

Intern, Tim Mobile S/A, Curitiba, PR

- Delivered expert clerical support by efficiently handling wide range of routine and special requirements.
- Maintained status reports to provide management with updated information for client projects.
- Participated in cross-functional team-building activities.
- Read and interpreted blueprints, technical drawings, schematics and computer-generated reports.
- Collaborated with senior engineers on projects and offered insight.
- Performed data analysis using excel.

02/2014 - 02/2015

Intern, ENSISTE, Curitiba, PR

- Participated with preparation of design documents for trackwork, including alignments, specifications, criteria details and estimates.
- Read and interpreted blueprints, technical drawings, schematics and computer-generated reports.
- Review or update projects on demand for the client.
- Updated projects to "as-built" after the construction.

SKILLS

EXCEL, OFFICE, PYTHON, MACHINE LEARNING, AGILE, AUTOCAD

EDUCATION

GRAD YEAR

Universidade Tecnológica Federal Do Parana (UTFPR) | PR - Brazil

Bachelor of Science - Aug 2011 - Dec 2019 - Electrical Engineering
